Reference: Statement of Organization Received Nov. 30, 2000

Dear Ms. Hollis:

On December 13, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your December 19, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response states that "Tallatchee Creek, Inc., is incorporated as a non-profit corporation and it is a separate segregated fund. It is not established, financed, maintained or controlled by a corporation, labor organization, membership organization or trade association." In order to be considered a separate segregated fund, the committee must, by definition, be established, financed, maintained or controlled by a corporation, labor organization, membership organization or trade association.

If your committee is a separate segregated fund, an amended Statement of Organization should be submitted which indicates the connected organization in Line 6.

If your committee is a nonconnected committee that has incorporated for liability purposes only, please send a letter to the Commission clarifying your incorporation. In addition, an amended Statement of Organization should be submitted which indicates that the committee supports/opposes more than one Federal candidate and is not a separate segregated fund or a party committee on Line 5(f).
